

Centre College of Danville, KY

Customer Satisfaction. No college in America can match the loyalty and dedication of Centre's alumni. Ranked first by US News, at Centre, you can expect the extraordinary.

www.centre.edu

"Harvard of the South," prestigious Centre is affordable because of the remarkably generous donations of its alumni. Customer satisfaction paying dividends.

SA magazine readers share our passion for smaller colleges where everything, that's really important, is ... larger. A private, coed, Division III liberal arts college, Centre's 1050 undergraduates enjoy a student to faculty ratio of only 10:1. Dedicated professors, excellent academics, an abundant social life and competitive athletics.

Visitors to the NCAA National Tournament three out of the past four years, Coach Brian Chafin's Colonels were 15-4 last year and ranked as high as third in the nation. The Lady Colonels, led by Coach Gina Nicoletti, a former All-American, are regularly ranked in the South Region top ten. Teaming to offer premier summer camps, in the Centre tradition of excellence, Brian and Gina encourage club coaches to enquire about special team discounts and the Keepers Edge Soccer Program which runs in conjunction with both boys and girls camps.

Customer Satisfaction. Bring your team to Centre's camp and share a rare experience ... excellence.
